

Modern Pull-Out Kitchen Sink Mixer Tap

Category: Taps & Faucets • Taps

Product ID: 20

Description

Versatile 360° swivel spout with pull-out sprayer — extended reach for washing, rinsing, filling and deep-cleaning your kitchen sink.

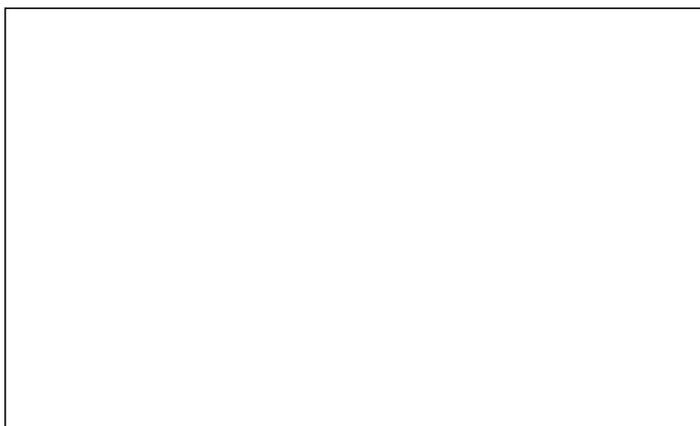

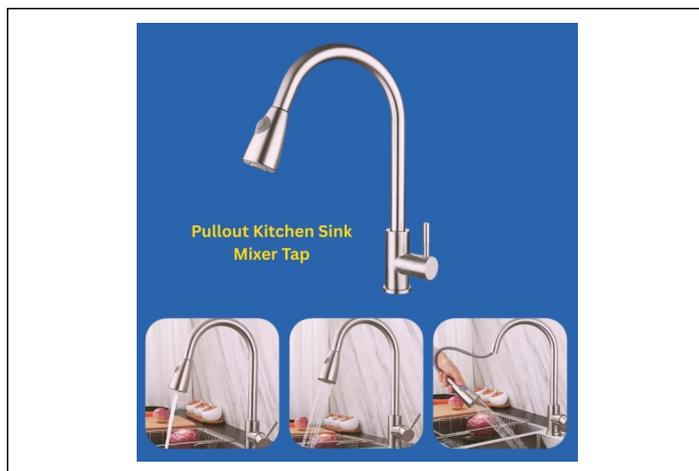

PREMIUM CONSTRUCTION — Made from pure brass with a sleek chrome finish for long-lasting durability and corrosion resistance.

TEMPERATURE CONTROL — Single-lever handle allows smooth and precise adjustment between hot and cold water flow.

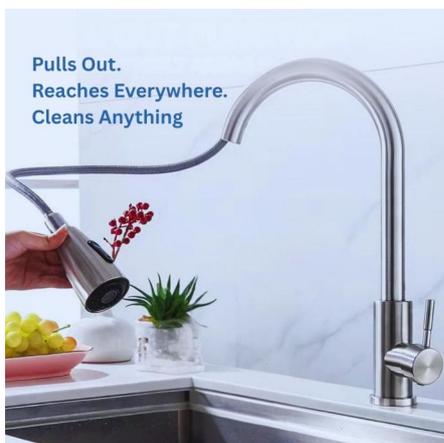

Smart table-mounted configuration frees up counter space and blends seamlessly with modern kitchen décor.

EASY INSTALLATION — Quick DIY setup with included mounting hardware and flexible water lines for a hassle-free installation
