Single Lever Basin Mixer – Chrome Finish

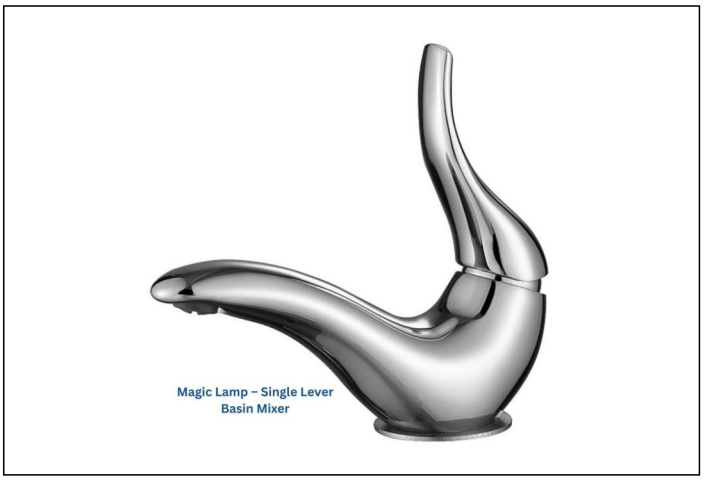

Category: Taps & Faucets • Taps

Product ID: 22

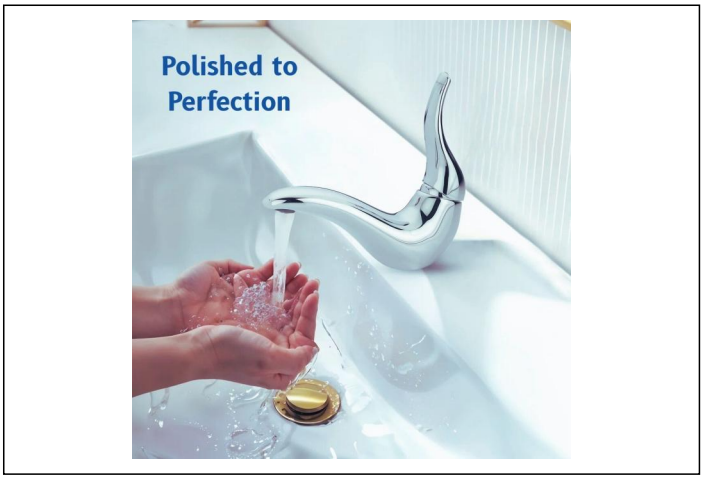

Description

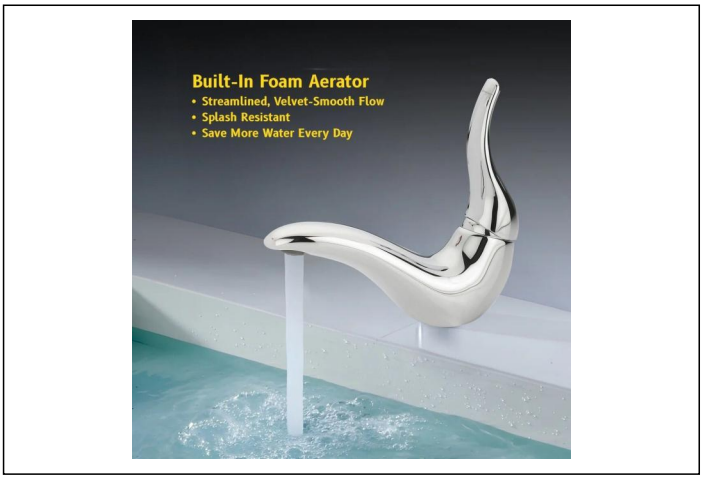

PREMIUM CONSTRUCTION: Crafted from solid brass and copper with a chrome finish, ensuring exceptional durability and rust resistance for long-lasting performance
ERGONOMIC DESIGN: Single-lever handle provides smooth, effortless control of water temperature and flow, inspired by natural movements
SUPERIOR FINISH: Precision robotic electroplating creates a mirror-like chrome surface that maintains its lustre and resists fading or chipping
PRECISION ENGINEERING: Flawlessly cast body with leak-proof design ensures reliable operation and consistent water flow control
VERSATILE FUNCTION: Hot and cold water mixer tap suitable for modern bathroom sinks, featuring an elegant curved spout design
